

Optimist Club of Carlsbad

“The Achievers”

A community service organization serving the youth of Carlsbad and surrounding communities, since 1956.

WHAT WE DO

As local community members, we strive to have a positive impact on local youth.

WHAT DOES THAT LOOK LIKE?

Here are just a few examples of the work we do...

- * Providing funds to Rady Children’s Hospital to help treat children battling cancer.
- * Hosting an annual Christmas party and providing gifts for kids who have lost a parent serving on active duty in the military.
- * Supporting local Special Olympic athletes at local competitions with equipment and lunches.
- * Providing funds to help local Boy Scouts complete their Eagle Scout projects.
- * Hosting an annual speech contest for local students to improve their public speaking skills.
- * Awarding scholarships to help local high school seniors realize their goal to attend college.
- * Bringing hot meals to local homeless and street kids so they get a taste of home.

HOW CAN I HELP?

We are always looking for people to join us at our events, or help with a small financial contribution.

We do fundraisers- golf tournaments, bowling tournaments, and comedy shows – throughout the year. We welcome and encourage you to join us for an enjoyable time and to help raise money to support local youth.

HOW CAN I LEARN MORE ABOUT THE CLUB?

www.facebook.com/optimistclubofcarlsbad
